Achievement For All

14th March 2018

Dear Parents/Carers

We are pleased to announce that as a result of conversations with parents about our more reluctant older readers, we have decided to create an area of our library devoted to books with more adult themes. These range from the horror fiction of Stephen King to the fantasy novels of George RR Martin; from the crime fiction of Ian Rankin to the thrillers of Lee Child. The 'Risky Reads' area will contain a wide variety of books, graphic novels, non-fiction books and scripts which will only be accessible to Year 9 and above.

Should you have any queries regarding this matter please contact me via email.

Yours faithfully
